Dear Prof. Kangka Chakravarty,

Greetings from Internshala!

As the academic semester for most of the colleges is about to end, it is the right time for students to apply for winter internships starting in 2021.

Considering this, I am happy to inform you that we have launched the **Grand Winter Internships Carnival** for all the students of Nalbari Polytechnic where they can now apply for internships and gain experience along with their regular college academics.

In this carnival, students can find all types of internships (including internships with PPO) with a duration ranging from 1 to 6 months.

**How can your students apply for an internship? (It will just take 15 minutes)**

1. Visit the application link here - [internshala.com/i/GWIC-CR5145](https://internshala.com/i/GWIC-CR5145). **The last date to apply is 9th December**
2. Choose internships based on interest and matching skillsets
3. Apply for those internships by answering two/three questions asked by the employer

Based on the application submitted, companies would shortlist the students and reach out to them for further process.

A few key highlights are -

- 10,000+ internships in all major categories including engineering, management, arts, media, design, and more
- Top brand internships include UrbanClap, Kotak Mahindra, Dentsu International India, and many more

**Eligibility** - All the students (first year to final year) from any branch/stream are eligible to apply.

Kindly share this email and [notice](#) with your relevant students and have it circulated among all the college faculties, and student coordinators to ensure maximum participation.

Many thanks,  
Ashutosh Lokhande
